Answer ALL the following questions

Question 1 (25 marks)

Gender stereotypes shape expectations about how men and women should behave or perform in the workplace. These assumptions often influence managerial decisions and organizational culture.

A. Define gender stereotypes and explain how they impact workplace decisions and employee evaluation **(8 marks)**.

B. Provide ***three*** examples of common gender stereotypes and critically discuss their potential consequences on workforce decisions. **(12 marks)**

C. Design a practical management plan to reduce gender discrimination in the organization. **(5 marks)**

Question 2 (25 marks)

Leaves are classified based on whether they are routine entitlements (ordinary leaves) or granted for specific life events and emergencies (special leaves)

Compare ordinary leave and special leave in terms of "types, legal basis, duration, wage entitlement, and purpose". Your answer should highlight key similarities and differences and demonstrate how labour law regulates each category. **(25 marks)**

AOU EGYPT

Question 3 (25 marks)

The classification of wage components affects both employer obligations and employee rights.

Critically discuss **the importance of distinguishing between wage elements and non-wage elements in salary structure.**

In your answer, you should:

- **A.** Explain the distinction between basic wage, allowances, and additional payments highlighting their legal and functional differences **(9 marks).**
- **B.** Analyze why courts and social security authorities are concerned with this distinction, particularly in disputes involving benefits, contributions, and statutory entitlements. **(8 marks)**
- **C.** Provide relevant examples that illustrate how misclassification or correct classification of wage components affects employer and employee rights**. (6 marks)**
- **D.** How does distinguishing between wage and non-wage elements help in employment law? **(2 marks)**
