YOU HAVE TO ANSWER ALL QUESTIONS IN ESSAY FORMAT.

Question 1

You are preparing a briefing for a policy workshop on the **drivers of globalization.** Policymakers want to understand what factors are pushing the world toward greater global integration and how these drivers affect businesses, workers, and societies. **Explain the main drivers of globalization.**

Guidelines to Answer Question 1:

In your answer, first explain the role of falling barriers to trade and investment in globalization (6 marks). Then discuss how global e-commerce has become a powerful driver (6 marks). Next, explain the importance of digital transformation in connecting markets and people (6 marks). Finally, analyze how communication and transportation accelerate global integration (5 marks). Make sure your answer is clear, easy to follow, and supported with examples or ideas to earn (2 marks) (Total: 25 marks).

Question 2

You are part of a country research team preparing a report for a national committee on the importance of sustainability and key global issues. The committee is concerned about challenges such as climate change, unethical business practices, and inequality, but also wants to hear about possible solutions. **Explain the environmental and social and ethical issues and discuss why addressing them is important for building a fair and sustainable future.**

Guidelines to Answer Question 2:

In your answer, first explain the environmental issues such as carbon footprints and climate change, a circular economy, and greenwashing (9 marks). Next, discuss social and ethical issues including bribery and corruption, working conditions and human rights, and DEI (9marks). Finally, show how these issues are connected to globalization and why addressing them is important for building a fair and sustainable future (5 marks). Make sure your answer is clear, easy to follow, and supported with examples or ideas to earn (2 marks) (Total: 25 marks).

Question 3

A global company is expanding into a new country where the social structure and educational levels differ significantly from its home country. The company notices that employees' values and attitudes towards work vary widely. **Analyze how values, attitudes, and behaviors are shaped by social structure and education. Explain how these cultural factors can impact employee motivation and performance. Use relevant examples to support your discussion.**

Guidelines to Answer Question 3:

Begin your answer by analyzing how values, attitudes, and behaviors are influenced by social structures. Then, explain the role of education in shaping these cultural factors (12 marks). Next, discuss how differences in these cultural elements can impact employee motivation and job performance, supporting your points with relevant examples (11 marks). Ensure your answer is clearly structured and well-written to gain 2 marks for presentation. **Total: 25 marks**

Question 4

You are preparing a policy briefing for a parliamentary committee on the issue of government intervention in international trade. While some members believe that free trade should operate without restrictions, others argue that governments must step in to protect national interests and ensure fair outcomes. **Discuss the main reasons why governments intervene in trade, analyzing the different motives behind such actions and their impact on global relations.**

Guidelines to Answer Question 4:

In your answer, explain how these Political Motives, (8 marks) Economic Motives (8 marks), Cultural Motives (7 marks) shape domestic industries, influence international partnerships, and affect society. Make sure your response is clear, well-structured, and supported with relevant examples to earn 2 marks for presentation. **(Total: 25 marks)**
