Final Exam

Fall 2025- 2026
Date: 19 Jan 2026
1:00 – 3:00

Number of Exam Pages: 4 (including this cover sheet)	**Time Allowed:** **2 hours**

INSTRUCTION

1. Read the questions carefully before you answer.
2. Answer all the questions in the answer booklet.
3. Write all your answers in ink NOT pencil.
4. Edit and proofread your language.

Total Grade: 50

CamScanner

Question 1 (10 marks)

Choose the correct answer:

1. What is the primary function of intertitles in silent films?

a) To provide spoken dialogue audio

b) To insert printed text between scenes for dialogue or narration

c) To overlay subtitles during action

d) To translate foreign languages in real-time

2. Which of the following best describes Aegisub?

a) A paid software for dubbing audio tracks

b) A free, open-source tool for creating and timing subtitles to audio

c) A video editing program for cutting scenes

d) A database for storing translation glossaries

3. In the context of subtitling quality, what does the term "spatial dimensions" primarily refer to?

a) The timing and duration of subtitles on screen

b) The physical placement, line length, and space constraints of subtitles

c) The cultural adaptation of text for different audiences

d) The audio synchronization with visual elements

4. What does the six-second rule in subtitling recommend?

a) Subtitles must appear every six seconds

b) A full two-line subtitle should be displayed for approximately six seconds to allow reading at 140-150 words per minute

c) Subtitles should change every six seconds regardless of content

d) Viewers need six seconds to process audio before subtitles appear

5. Why is 37 characters per line often cited as a standard in subtitling?

a) It ensures subtitles fit within Teletext limits and remain readable on screen

b) It matches the average speaking speed in dialogues

c) It is required for 3D film subtitles only

d) It allows for unlimited lines per subtitle block

6. In subtitling, what is the primary purpose of using three dots (ellipses) at the end of a subtitle line?

CamScanner

a) To indicate the continuation of dialogue into the next subtitle or to show hesitation/trailing off in speech

b) To replace full stops for grammatical completeness

c) To signal cultural adaptations in the text

d) To adjust for font size and spacing requirements

7. What is the main purpose of intralingual subtitles in audiovisual translation?

a) Translating content from one language to another for international audiences

b) Providing subtitles in the same language as the audio, often for accessibility like for the deaf and hard of hearing

c) Overlaying text for inter-scene narration in silent films

d) Adapting cultural references without changing the language

8. What role does a spotter play in the subtitling process?

a) Translating the script into the target language

b) Determining the in and out times for subtitles to synchronize with audio/video

c) Editing the visual style of text

d) Adapting content for cultural relevance

9. In audiovisual translation, what does adaptation typically involve?

a) Direct word-for-word translation without changes

b) Adjusting the source material linguistically and culturally to feel natural in the target language, especially in dubbing or subtitling

c) Timing subtitles to match screen space

d) Creating new audio tracks from scratch

10. Which of the following is a key constraint in audiovisual translation that affects both subtitling and dubbing?

a) Lip-sync requirements in dubbing

b) Unlimited character limits

c) Ignoring cultural nuances

d) Avoiding any text overlays

Question 2 **(20 marks)**

Translate the following into Arabic highlighting the features of the headline and the lead :

Egypt's Grand Museum opens, displaying Tutankhamun tomb in full for first time
BBC

Near one of the Seven Wonders of the Ancient World - the Great Pyramid of Khufu at Giza - Egypt has officially opened what it intends as a cultural highlight of the modern age.

The Grand Egyptian Museum (GEM), described as the world's largest archaeological museum, is packed with some 100,000 artefacts covering some seven millennia of the country's history from pre-dynastic times to the Greek and Roman eras.

Prominent Egyptologists argue that its establishment strengthens their demand for key Egyptian antiquities held in other countries to be returned – including the famed Rosetta Stone displayed at the British Museum.

Question 3 **(20 marks)**

Translate the following into English highlighting the features of the headline and the lead:

بالصور: مراسم مهيبة في مصر لافتتاح أكبر متحف آثار لحضارة واحدة في العالم **BBC**

افتتحت مصر، مساء السبت، متحفها الكبير رسمياً، بعد أكثر من عقدين على بدء العمل فيه وإرجاء الافتتاح مراراً.

وبلغت تكلفة المتحف، الذي يغطي مساحة تقارب نصف مليون متر مربع، أكثر من مليار دولار، ومن المقرر أن يفتح أبوابه للجمهور ابتداءً من 4 نوفمبر/ تشرين الثاني 2025.

ويحتوي المتحف على نحو 100 ألف قطعة أثرية (من بينها نحو 50 ألف قطعة للعرض، والباقية مخزنة، وفقاً لوزارة الآثار المصرية)، تغطي قرابة 7 آلاف عام من التاريخ المصري القديم، بداية من عصور ما قبل الأسرات إلى العصرين اليوناني والروماني.

ومن أبرز ما يحتويه المتحف أيضاً "مركب الملك خوفو"، المعروف أيضاً باسم "مركب الشمس"، الذي يعود إلى فترة حكم الملك خوفو، وتم اكتشافه في خمسينيات القرن الماضي في منطقة أهرامات الجيزة.

Best of Luck,....
